

# STEALTH 885™

**blendtec**  
COMMERCIAL

BY **LANCER**  
EUROPE

The world's quietest commercial blender with a tactile touch pad.

The Stealth 885 combines durability, power, and a wealth of exciting features including a tactile touch pad. Simply put, it's the quietest, most advanced, and easiest to use commercial blender on the planet.

### Stealth Technology ensures an uninterrupted atmosphere

The Stealth 885 includes a sleek sound enclosure and proprietary airflow innovations that enable operation at nearly the sound level of a normal conversation.

### Customized cycles provide consistent results every time

In addition to 42 preprogrammed cycles, users can create custom blends with the online Blend Wizard™, then store up to 14 on the blender for one-touch operation.

### Built to save time and money

All Blendtec blenders are built to meet the unique needs of the commercial customer. Each feature—from top to bottom—delivers effortless operation and is designed to reduce overall cost.
